

Ultraplex™ 5-0-3+2% Fe & micros

ULTRAPLEX™ is a sophisticated proprietary liquid combination of macro and micronutrients, plant and root promoting stimulators, and plant and soil wetting agents. **ULTRAPLEX™** is a multiplex combination of the following **Grigg Brothers** products. **IRON COMBO CHELATE™** 40%, **AMINOPLEX™** 30%, and **INTAKE™** 30%. **IRON COMBO CHELATE™** is a truly organically chelated micronutrient package providing for the following nutrient analysis in **ULTRAPLEX™**.

THE BENEFITS OF **ULTRAPLEX™**

- **Tru-Foliar™: Ultraplex™** is designed to be foliar applied and completely foliar absorbed while it is drying on the target plant.
- Organic based and contains 15 recognized biostimulants.
- An effective non-ionic organic surfactant.
- Highly compatible.
- Fast response, typically 1-3 hours.
- Effective.
- Long lasting results.
- Enhances response of fertilizers, herbicides, and plant growth regulators.
- Predictable results.
- Effective water buffering agent.
- Effective micronutrient source.
- Good tool to combat stress.
- Effective plant stimulant source.
- A source of nutrients.
- Provides healthy color.

GUARANTEED ANALYSIS

Total Nitrogen (N)	5.0%
4.5% Urea Nitrogen	
0.5% Nitrate Nitrogen	
Potassium (K ₂ O)	3.0%
Chelated Iron (Fe)	2.0%
Chelated Manganese (Mn)	0.4%
Chelated Zinc (Zn)	0.4%
Chelated Copper (Cu)	0.05%
Boron (B)	0.05%

Derived from: Urea, Potassium, Boric Acid, Iron, Zinc, Manganese and Copper Glucoheptonates, Plant Based Amino Acids, Natural Saponins, Plant Extracts, Carbohydrates, Fruit Fiber, Protein and Enzyme Precursors.

Foliar Application Rates

Ultraplex™ contains the non-ionic surfactant **Intake™** no additional surfactant is necessary.

IMPORTANT: For best results apply as a foliar spray early in the morning or late evening. Allow to dry on plant before irrigation.

TURF GRASSES: Cool or Warm Season: Use 3-6 fl oz per 1000 Ft² of **Ultraplex™** in combination with other Grigg Brothers products.

Use 6 fl oz 1000 Ft² rate when **Ultraplex™** is applied without other Grigg Brothers products weekly or bi-weekly as a stand alone product.
